

# Pipes & Drums of Local 21

The Local 21 bagpipe band needs the support of Local 21 members and their families. If any member or anybody in your family would like to join the band, we will be starting a new class on Monday, April 11, 2011 from 4:30-6:30 at the Union Hall. If you are interested in playing the bagpipes, there will be a bagpipe instructor. If you are interested in playing the drums, we will also have a drum instructor. No experience necessary. If you are interested please contact:  
Pipe Major James Migliore: Home (914-930-7736)  
or Cell: (914-447-5731)

Please contact me by April 4<sup>th</sup> 2011.
