Important Questions	Answers	Why This Matters:
What is the overall deductible?	<u>In-Network Provider</u> : \$250 Individual/\$625 Family <u>Out-of-Network Provider</u> : \$2,500 Individual/\$6,250 Family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. <u>In-network</u> : primary care, <u>specialist</u> office visits, <u>preventive care</u> and outpatient <u>rehabilitation services</u> . <u>In-network</u> and <u>out-of-network</u> : <u>emergency/urgent care</u> , <u>home health care</u> , <u>prescription drugs</u> and vision are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other deductibles for specific services?	No	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	<u>In-Network Provider</u> : Medical: \$3,000 Individual/\$7,500 Family <u>Prescription Drugs</u> : \$3,520 Individual/\$8,800 Family <u>Out-of-Network Provider</u> : Medical: \$9,000 Individual/\$25,000 Family <u>Prescription Drugs</u> : No limit	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Penalties for failure to obtain <u>preauthorization</u> for services, <u>balance-billed</u> charges, health care this <u>plan</u> doesn't cover, or vision benefits.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. For a list of <u>in-network providers</u> , see www.empireblue.com or call 1-800-553-9603.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
