THE N.Y.S.P.T.A. is seeking an organizer

The New York State Pipe Trades Organizer will be responsible for executing the Strategic Organizing Plan within their assigned region and will work under the direction of the Lead Organizer and Business Managers in the State.

- Communicate with the Business Manager in the area you are working.
- Organize all non-union workers in commercial, industrial, and residential work in the plumbing, pipefitting, sprinkler fitting and HVACR service field.
- The intent of the NYSPTA is to organize every contractor, subcontractor, and other employers of our craft along with employees who perform said work. The Organizer's duties may include any activities supportive of this goal.
- Making presentations at meetings regarding organizational tactics when requested.
- Contacting non-union Contractors and employees to promote union affiliation/membership.
- Compiling and disseminating information which can be helpful to Local Unions in Organizing efforts; assuring that all Local Unions strengthen their efforts in Organizing, and their memberships commitment to organizing through education.

- Filing monthly reports to the NYSPTA Field Director of organizing regarding his/her activities during the month.
- Excellent verbal and written communication skills are a necessity. Strong interpersonal skills, including being comfortable meeting and talking with diverse and multi-cultural groups of people.
- Strong organizational abilities, including the ability to prioritize and multi-task.
- Comfortable with technology and can learn new tools quickly.
- A high level of self-motivation and a proven ability to work independently as well as collaboratively.
- <u>Willingness to travel and work flexible hours to include evenings and some weekends.</u>
- Must be a Journeyman member in good standing within **UA Local's 7, 21, 81, 112 or 373.**
- Must have a valid driver's license.
- Bilingual candidates urged to apply.
